To Whom It May Concern;

RE: Case Identifier: **CGB-CC-0064** Updated Information per
continuance of closed captioning exemption for MCTV
(Maricopa Community Colleges Television)

MCTV is happy to inform the FCC that it is commencing with providing captioning services on July 1, 2012. However, this letter serves as an official request for additional exemption time to allow MCTV to caption its extensive on-air video programming archives. Along with providing captioning for newly produced programs, MCTV will diligently work through its video archives and caption those programs used for its on-air program schedule. In so doing, MCTV will then be fully compliant of FCC 79.1 by offering captioning services of all programs deemed responsible.

MCTV respectfully requests that additional exemption time be granted with a projected captioning completion date of archived video programs by November 1, 2012. At that time, MCTV will notify the FCC that archived program captioning is completed.

Thank you for your consideration as you review MCTV's extended exemption status request.

Respectfully,

Rene Blatte
Director, MCTV
